Ivy+ Summit

Leadership conference attended by all Ivy League schools (+MIT). We discussed the union movement and its relationship with GSC. These meetings help us learn about the other schools and improve our council.

Let Darcy know if you want to hear any details about what was discussed.

We will be hosting this summit in two years

OrgSquare – Liuchuan tong@fas.harvard.edu

Help organize and advertise your DGSO and/GSG

Developed a mobile app for student organization; when an organization team changes, it can be hard to transition without all the information they had in previous years; wanted a platform to post past and future events

Also for students to know what fun activities are going on in a given day without being on the listserv

Share photos, post events

Several organizations have started using it and providing feedback

Want to invite the groups here to try this app out to advertise events

If interested, let Liuchuan know: can provide photographers for events as a thank you for helping them get started
